HEARTBEAT OF THE CHURCH: Archbishop Fred Hiltz is inviting Anglicans across Canada to talk about their experiences with the church and express their "heartfelt prayers" for it. This can be done by getting together in small groups or "conversation circles" and simply talking. Conversation circles are taking place all across the country and are guided by 4 simple steps that will help Anglicans speak from the heart about their faith including where the holy is experienced in our lives, what moves us to pray, and what makes our hearts lift - or ache. The Primate is inviting all Canadian Anglicans to listen carefully to their experiences of how God has touched their hearts, and to share their prayers for our beloved church with one another. February is "Heart" month so let's get together in small groups and start the discussion! Check out the Anglican Church of Canada website for more information and to download the conversation guide at <https://www.anglican.ca/heartbeat/#download>
