Please notify Sheila if prayer is no longer needed for the person whose name you placed on the list so that she may keep the list current and relevant. Thank you!

A SPECIAL REQUEST FROM THE EASTWOODS: Jim and Gail Eastwood are collecting used cell phones for the CNIB. The iPhone type has voice ability and GPS which can be used for SIRI to give directions, for example, to a blind person to follow as they walk to a dental appointment. The older used flip phones in some cases can be cheaper than a landline phone. Used cell phones can be left in the narthex at Holy Trinity for Jim or Gail to pick up. If anyone from St. Augustine's wishes to donate a used phone they may contact Jim or Gail at mjimeast@nbnet.nb.ca and arrangements can be made to pick it up. A friend of the Eastwoods is blind and uses his cell phone to walk to the Superstore, doctor's appointments and even to the beach! Not every blind person can afford a cell phone when they need one so this is a great way to help. Thank you!
